

Our Mission: Love God, Love Others, Make Disciples

Guidelines for Café volunteers:

Arrive 5 min. before your start time.

Hang your coat/belongings on the coat rack that is in the breezeway before the back kitchen.

Put on an apron and name tag. If you are serving food, please get a pair of gloves to wear. They will be in the back kitchen on the counter.

You will be assigned a job as either: server, cashier, set up/break down, table wiper/greeter. *see job descriptions on next page*

The purpose of Fellowship Café is to have a place for everyone to grow in our faith and to foster camaraderie amongst Sacred Heart parishioners and the entire surrounding community. Please help us achieve this by smiling and reaching out to everyone, especially those you don't know.

You will be downstairs in the Café during your entire shift so please plan on attending Mass before or after your volunteer time in the Café.

If you are planning on attending Mass after volunteering, please remember that you are to fast 1 hour before the start time of your Mass in order to receive Holy Communion.

If you need a substitute prior to your Sunday, or wake up sick Sunday morning, please email: christine.klag@sacredheartroyersford.org
