

PREP NEEDS YOUR SUPPORT

Due to the large number of children involved in our P.R.E.P program, we rely on the generosity of our parents, grandparents and parish members, to be involved in many ways.

If you feel a calling to serve God's children in this way, please register below. Listed below are various Parent Volunteer Opportunities.

Registration fees for Catechists, Assistants and Hall Monitors will not be waived. Instead you will receive compensation for each weekly class that you attended during the PREP year.

CATECHISTS provide direct instruction to the students. All training, lessons, materials, and support are provided.

ASSISTANTS provide additional classrooms support both clerically and instructionally. You may be asked to substitute in various classrooms when needed.

HALL MONITORS supervise hall activity, administer snacks, assist as substitutes when needed in the classroom, and are assistants to the Coordinator of Religious Education.
